**AN ACT**  
**For repairing Highways in the town of Warwick,**  
**AS AMENDED.**

---

It is enacted by the freeman of the town of Warwick, in Town Meeting assembled, as follows :

Section 1. The town shall be divided into not less than twenty, and not more than twenty-eight Highway Districts, the number to be determined annually, by the Town Council, on the second Monday of December. The number of highway districts, and their limits, to remain the same as at present established, until altered by the Town Council.

Sec. 2. There shall be elected annually, by the Town Council, on the second Monday of December, a Surveyor of each highway district, who shall reside in the district he represents.

Sec. 3. At the November town meeting annually, a specific proportion of the tax, which may then be ordered to defray the annual expenses of the town, shall be fixed upon, and voted to be expended in labor and materials on the highways for the year then ensuing.

Sec. 4. The Town Council shall hold a meeting on the second Monday of December, annually, to assign and appoint to the surveyors their several highway districts; to determine the sum to be expended within the limits of each surveyor; and certified lists of their doings for his district shall be promptly furnished by the Town Clerk to each surveyor.

Sec. 5. The several surveyors of highways shall cause the sum apportioned to their districts to be expended in labor and materials therein, within the year for which they are chosen; or so much thereof, as will repair their highway sufficiently. And in case of a surplus of apportionment, then said surplus shall be disposed of by the Town Council at their discretion.

Sec. 6. The surveyors are authorized and empowered to direct at what place and in what manner the highways in their limits shall be repaired, and to procure the necessary labor, teams, carts, tools and materials, to make such repairs, to be paid for out of the apportionment to their district.

Sec. 7. The ordinary repairs of the highways shall be made between the first day of April and the last day of June, in each year. In case of necessity, as when the highways may be obstructed by snow, or by any extraordinary casualty, the several surveyors are hereby required, authorized and empowered, to cause such obstruction to be removed, and repairs to be made, with the least delay, in an economical manner; and to present their bill for such expenditure, as well as for the ordinary repairs, to the Town Council, who shall examine and allow the same, if reasonable, and shall order the same to be paid out of the town treasury.

Sec. 8. The surveyors shall attend the meeting of the Town Council to be holden on the second Monday in November, of each year, and shall render an account of their proceedings for their official year preceding, giving an account of the amount expended by them, and how expended, if enquired of, and what balance, if any, may be unexpended, in their several districts; and the Town Clerk shall record such account in a book for that purpose, stating on each account, if not already stated, the balance aforesaid. In default of rendering such account, any delinquent surveyor shall forfeit and pay a fine of ten dollars for the use of his highway district, to be recovered by the Town Treasurer in an action of debt before any one justice of the peace of the town.

Sec. 9. There shall be allowed and paid to each overseer of the highway, of the apportionment to their respective districts, one dollar and twenty-five cents per day for every day engaged on said highway.

Sec. 10. There shall be allowed and paid fifteen (15) cents per hour to each man employed on the highways (excepting overseers) under the direction of the several surveyors of highways, and twenty-five (25) cents per hour for each yoke of oxen.

This rate to apply to all labor done on highways; including removal of snow, until otherwise ordered by the town.

Sec. 11. The Town Clerk shall note on the list of each Surveyor of highways, the rate of pay per hour as herein established.

Sec. 12. All former acts of the town inconsistent herewith, are hereby repealed.
